

Building & Grounds Volunteer List

There is a great need to spread the joy of supporting UUFE. Your presence is welcome & helps us be a whole community. Your money keeps us surviving. Your labor, teaching & maintaining, is also necessary. All three are needed in any home or town or city or country. The Building & Grounds Committee has broken many of the jobs into smaller chunks & we're asking the community to help. Signups can be for a short or long period or even intermittent. You alone know the depth of your commitment to UUFE. Your commitment is not unknown to the community as a whole. Here's a breakdown of small but vital tasks that help us all keep smiling. Check what you can do & give this slip to Linda or Ron Gill, Jim Victor or Doris Stickel.

The Job	Schedule	Supplies	Who Can?
Clean Front Door Glass	1 x per week	Supplies in Annex	YES YOU CAN
Spider webs	As needed	Featherduster & Ladder	YES YOU CAN
